

**AMENDMENTS TO THE SPECIFICATION**

Please insert the following paragraph before the first paragraph of the specification.

This application is a national stage application of International Application No. PCT/FR02/03802, filed November 6, 2002, which claims priority to French Application Nos. FR 02/00885, filed on January 24, 2002, and FR 02/02358, filed on February 25, 2002, all of which are herein incorporated by reference.

Please replace the paragraph beginning on page 1, line 25, which starts with "Patents US 5 736 125 and US 5 156 911," with the following amended paragraph.

Patents US 5 736 125 and US 5 156 911, and also application WO 01/19333, illustrates certain types of semi-crystalline polymers which may form part of the composition of the formulas of the invention. These documents, nevertheless, do not describe cosmetic compositions as disclosed herein.

Please replace the paragraph beginning on page 28, line 3, which starts with "The makeup composition of the invention may be," with the following amended paragraph.

The makeup composition of the invention may be in the form of a coloured product, in particular for the skin, optionally having care or treatment properties, and may be in particular a foundation, a blusher, a rouge, an eyeshadow, a concealer product, an eyeliner or a body makeup product; a lip makeup product, for instance a lipstick, a lipgloss or a lip pencil, optionally with care or treatment properties; a makeup

product for the epidermal derivatives, for instance the nails, for the eyelashes in the form of a mascara, or for the eyebrows and the hair; or a deodorant. It is preferably anhydrous or in cast form.
